

# Guided Path

Personalized Learning Plan - asynchronous guided learning, delivered and reviewed step by step.

## 01 // LEARNER RECORD

|                                                                                                     |                                |
|-----------------------------------------------------------------------------------------------------|--------------------------------|
| Learner name                                                                                        | Reference no.                  |
| Email                                                                                               | Date issued                    |
| Country / timezone                                                                                  | Current role / education level |
| Preferred language                                                                                  |                                |
| <input type="checkbox"/> English <input type="checkbox"/> Arabic <input type="checkbox"/> Bilingual |                                |

## 02 // DIAGNOSTIC SUMMARY

Assessed starting level

☐ Beginner ☐ Intermediate ☐ Advanced

Desired outcome (what the learner should be able to do)

Identified knowledge gaps

|                             |                        |
|-----------------------------|------------------------|
| Available time per week     | Target completion date |
| Preferred explanation style | Accessibility notes    |

**03 // LEARNING PATH (modules unlock progressively)**

| #  | MODULE | OBJECTIVE | EST. TIME | STATUS |
|----|--------|-----------|-----------|--------|
| 01 |        |           |           |        |
| 02 |        |           |           |        |
| 03 |        |           |           |        |
| 04 |        |           |           |        |
| 05 |        |           |           |        |
| 06 |        |           |           |        |
| 07 |        |           |           |        |
| 08 |        |           |           |        |

**04 // MILESTONES AND DEADLINES**

| MILESTONE | DELIVERY DATE | SUBMISSION DUE | FEEDBACK DUE |
|-----------|---------------|----------------|--------------|
|           |               |                |              |
|           |               |                |              |
|           |               |                |              |
|           |               |                |              |
|           |               |                |              |

**05 // TERMS OF THIS PLAN**

One revision / clarification cycle is included. Written feedback is delivered within the stated response window. Modules unlock only after the previous step is verified. Materials are personalized, confidential, and non-transferable. Nothing substantial is released before payment is verified.

Prepared by (instructor) - signature / date

Learner acknowledgment - signature / date
